Yakima	OffGrid	Longitudinal floor tubes require cases rotated 90° on rack (case lids will open to front or rear of vehicle). NOTE: Larger cross tubes in center of this rack may limit case selection/position. With above limitations, mounting kit RFMT-002-BLK requires additional RFMTTC-002-BLK kit.				

Pelican Cargo Case Roof Mounts can be fitted to many popular platform or tubular basket-style roof racks.

NOTE: A roof rack is REQUIRED for these Pelican Roof Mount Kits.

Pelican Cargo Case Roof Mounts cannot be fitted directly to a vehicle's OEM cross bars.

Pelican Cargo Case Roof Mounts cannot be fitted to mesh-floor roof racks or longitudinal bars.

Roof Racks come in many different sizes. Please confirm that the dimensions of the Pelican Cargo Case you want actually fit on your rack.
