

Technical Bulletin

Peli™ 1060 Microcase Phase Out

We are phasing out the 1060 Microcase as part of our ongoing efforts to streamline our Case portfolio and focus on next-generation solutions. The 1060 Microcase and accessories will only be available **through October 1, 2026** and will be replaced by the M60 Microcase.

Customers are encouraged to begin planning during this phase out. While warranty parts are still available during this period, they will increasingly be limited over time. Our CSR team is available to assist with product recommendations, and technical support to ensure a smooth transition. Below is the list of affected sku's -

Part #	Description
1060-025-100E	PELI#1060 WL WI-BK CLR
