## Pelican™ 9600 Modular Lighting System

Pelican has discontinued the 9600 Modular Lighting System.

Pelican has officially discontinued the 9600 Modular Lighting System effective immediately. Pelican will continue to honor warranty claims for the remainder of any existing warranty period, but servicing and support for out of warranty units will cease with this discontinuation. Please visit Pelican’s website [here](#) for full warranty details.

We sincerely appreciate your support and loyalty.
