

**NOW WITH
100%
INCREASED
LUMEN
POWER**

MORE IS MORE.

Now With Bluetooth™ Activation, 12v Power, Dual USB Adaptor and 100% Lumen Increase.

PELICAN™ REMOTE AREA LIGHTING SYSTEMS (RALS) run on a silent, rechargeable sealed battery for use on or off the grid without a generator. RALS units run on the latest LED technology for high reliability and low energy consumption. The result is an energy efficient lighting solution with low long-term operating costs.
