Technical Bulletin

Peli™ 7100 USB-C GEN 2

We are proud to introduce the next-generation 7100 Tactical Torch, engineered to deliver meaningful performance enhancements across key metrics. The new 7100 provides increased lumen output for brighter, more reliable illumination, along with up to 20% longer runtime compared to the previous generation.

GEN 1

7100 part # 071000-0000-110

FL1 STANDARD	HIGH	MEDIUM	LOW
	695 LUMENS	**348** LUMENS	**33** LUMENS
