DETAILS

Catalog # 2469P
(Sold as a 4-Pack)
Part # 2460-304-000

Introducing individual NiMH cells for Pelican flashlights that run on disposable AA batteries.

- Cells are able to be charged in most AA NiMH battery chargers.
- Allows for back up cells to be charged and ready to maximize usage and minimize downtime.
- Low-self discharge for a long shelf life.
- 2,100 cycle life for extremely long cell usage.
- Able to be used in many Pelican flashlights that run on AA alkaline batteries.
