INTRODUCTION: Pelican 7060 LED users should pay special attention to charger base and power adapter part numbers when purchasing additional parts.

DETAILS:

• The correct charger base part number for the Pelican 7060 LED is 7070.

• Be advised that this 7060 LED light part number should not be confused with 7060F which is the charger base for the M9 7050.

• 7060 LED charger base can be distinguished from the M9 7050 charger base by color:
  o 7070 (7060 LED) = Grey
  o 7060 (7050 M9) = Black
